

"At Bush Primary School and Nursery Unit we create a safe, happy, positive and fulfilled environment for our school community. We promote the values of honesty, integrity, respect, kindness and resilience, where everyone feels supported and accepted."

Change to World Book Day 2026!

This year two of our school choirs will be participating at Dungannon Music Festival on Thursday 5th March, which is also World Book Day, therefore we are postponing our celebration of Books & Reading until Friday 6th March.

This year children are not required to dress up as a character, so costumes don't need to be swapped or bought.

Instead, we are organising a PJ themed day, 'Get Comfy, Get Reading!' Children can wear pjs, onesies, comfy clothes and bring a teddy and/or cosy blanket.

Pupils will spend the day involved in a variety of activities, engaging with books & building a love for reading.

We will be putting a Book Wish List on Amazon for our school library and would be very grateful to anyone who would like to support us by buying a book.
