Dear Parent,

P7 Transfer to Secondary School

After a difficult period of uncertainty, decisions have now been taken regarding the transfer of pupils in P7. This year applications for a secondary school place will be made online through the Education Authority Portal. (This is the same method as parents have used for the last few years to apply for a Nursery or Primary place.)

This year, the portal opens for applications on Monday 1st March at 12 noon and closes on Tuesday 16th March at 4pm.

It is very important that you apply during this time frame.

If you visit the Education Authority website at www.eani.org.uk you will see a box entitled Admissions and within this box there is a section giving information on the process of applying. You may want to look at this now and view the Admissions Criteria of the post primary schools you are interested in.

If I receive any further information from the Department of Education or the Education Authority I will ask Mrs McKenzie to share it with you on Seesaw and I will place it on our website at www.bushprimaryschool.co.uk

If you require any further assistance please contact me via email at pmcalister824@c2kni.net or by phone to school on 028 877 25102.

Regards
Pauline McAlister
